

DIXIE STATE UNIVERSITY  
STATEMENT OF UNDERSTANDING AND AGREEMENT  
REGARDING PRIVATE TRANSPORTATION

I, \_\_\_\_\_, have chosen to make private transportation arrangements for the Dixie State University \_\_\_\_\_ trip on \_\_\_\_\_, 2\_\_\_\_. I understand that I am legally an adult and responsible for my personal conduct. I also understand that when I elect to make private transportation arrangements, I do so knowing and agreeing that I will be personally responsible for my own safety. By electing private transportation, I elect out of any coverage or responsibility that Dixie State University may have had for death, harm or damage to me or my property, and in so electing, I release and waive any claims I, or my heirs, may have or have had against my coach, Dixie State University, and the State of Utah, or any of their officers, agents and/or employees for any death, harm or damage which I may suffer in the traveling to or from this activity or at any time while on the trip.

If I elect to take my private vehicle and transport other students at their election, I understand that the insurance on my private vehicle will be the sole source of coverage for me and my passengers, and that if it is in any way inadequate to cover any death, harm or damage, that I will be solely and personally liable without recourse whatsoever against Dixie State University, the State of Utah or any of their officers, agents and /or employees.
