5 V 5 Basketball

Eligibility

• To participate in Intramural sports a player must be a current Dixie State student or employee and needs to present an ID card at every event. A player may only play on one team per sport. A player that has not played in the regular season may not be added to the roster for the tournament/playoffs; only players who have previously played on the team can play during the tournament/playoffs. If a team is eliminated the players may not play on a different team. A current DSC collegiate athlete may not play the same sport in Intramurals.

Sportsmanship

• Participation in DSC Intramurals is a privilege; it is for enjoyment and enhances the college experience. Respect for teammates, opponents, and the Intramural Staff is expected. Acknowledge that the referees are not professionals, but fellow students. Having amateur and inexperienced officials will result in inconsistencies and/or discrepancies in their calls throughout the course of a game or season. Respect for officials is mandatory, and disrespect will not be tolerated. After each game a sportsmanship grade of A, B, C, D, or F will be given to each team by the officials. Teams must maintain a 2.0 average to continue during league play and a 3.0 average is required to enter the tournament.

Rules

• A team may play with four players if necessary.
• All players must be wearing a jersey with a number clearly visible to play.
• Games consist of two 18 minute halves.
• The clock runs continuously until the last two minutes of the second half, unless there is a difference in the score of 12 or more points, then the clock continues to run.
• For shooting fouls, one foul shot will be worth two or three points depending on where the foul occurred.
• Technical fouls will be shot 1 for 2, and the shooting team will receive the ball.
• “True bonus” will be implemented at seven team fouls. The person fouled will shoot one and one, or after ten team fouls they will receive two shots.
• If an individual receives one technical foul he will be ejected from the game. If he gets a second technical he must meet with the director of Intramurals before he can play again. If he receives a third technical, he and his team will be eliminated for the rest of the season.
• If a team receives three technical fouls the captain must meet with the director of Intramurals, and may be eliminated from the league.
• Physical play, bad sportsmanship, and complaining to officials will not be tolerated.
• All other rules will follow NCAA regulations.
Additional Coed Rules

- A coed team consists of three guys and two girls. There may be more girls than guys, but no more than three guys.
- If more than 2 girls are in at one time, the additional girls must be treated as men with two and three point baskets.
- Girl’s baskets are worth three and four points.
