6 V 6 Indoor Volleyball

Eligibility

- To participate in Intramural sports a player must be a current Dixie State student or employee and needs to present an ID card at every event. A player may only play on one team per sport. A player that has not played in the regular season may not be added to the roster for the tournament/playoffs; only players who have previously played on the team can play during the tournament/playoffs. If a team is eliminated the players may not play on a different team. A current DSC collegiate athlete may not play the same sport in Intramurals.

Sportsmanship

- Participation in DSC Intramurals is a privilege; it is for enjoyment and enhances the college experience. Respect for teammates, opponents, and the Intramural Staff is expected. Acknowledge that the referees are not professionals, but fellow students. Having amateur and inexperienced officials will result in inconsistencies and/or discrepancies in their calls throughout the course of a game or season. Respect for officials is mandatory, and disrespect will not be tolerated. After each game a sportsmanship grade of A, B, C, D, or F will be given to each team by the officials. Teams must maintain a 2.0 average to continue during league play and a 3.0 average is required to enter the tournament.
